

## **What Northchapel Hall has to offer YOU!**

The hall benefits from recent refurbishment and up to date modern facilities.

The entrance is equipped with a ramp, which leads into a spacious main hall with attractive functional furnishing. The hall has a modern heating system, and good lighting facilities.

The hall has the capacity for 200 persons at informal gatherings, with tables and chairs to seat 100.

There is a well equipped kitchen, with a double oven and commercial fast-cycle dishwasher.

Recently re-fitted toilet facilities include a disabled toilet.

The beautiful surroundings, the facilities, and the low cost, will make this the perfect location & venue for your function!
